Activating Redshelf or VitalSource digital materials.

From the main bookstore landing page: ==Bookstore.COCC.edu== find My Account on the navigation bar, and log into your bookstore account. You will need to be logged into your bookstore account to be able to access any digital materials you purchase. Your default log in will be your school email and 820 number as your password. If this default login process does not work you can create an account.

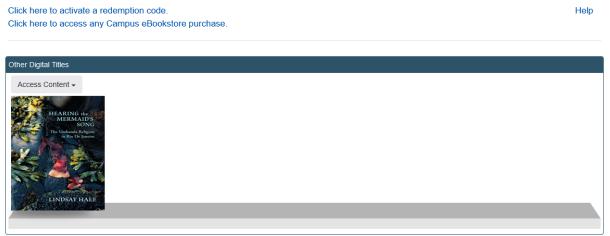

Click on, **Activate and Access eBooks**.

Clicking on the, Activate and Access eBooks link will bring you to the screen below and show your digital purchases. If you purchased in-store, please select: Click here to activate a redemption code

The confirmation email you received will have the digital provider listed.

Activate eBooks

When you made your eBook purchase, you received a card or email with the eBook information. Please select the Provider for the digital item purchased.

Provider: Please Choose ⌄

Once you have chosen Redshelf or Vitalsource, then enter the redemption code that was printed on your store receipt, or in your confirmation email, to activate your purchase. It will look like the code listed below.

Redshelf eBooks

180

Redemption Code: PS4NWTAU1ZXR6WW

For the duration of your digital materials, this eBook will appear and be available to access on your, My Shelf, page.
