

How to Order Course Materials Online.

First, you will need to find your class schedule for the current term. You can look on the COCC Website under, Academics and then, Class Schedule. You can also check the class registration page you receive after signing up for classes. Or, you can check your Bobcat Account: Student Services & Financial Aid > Registration > Student Schedule > Select Term, and you will see your class schedule.

The information you will need to find your course materials is your course and CRN for each class; for example, **Av 101 & CRN 40735**. For fall term this CRN number will be a 5 digit number that starts with a 4.

The link to the bookstore website is found at the bottom of the main COCC home page. On the bookstore website find the navigation bar, go to Textbooks, and then to, Compare Pricing & Order, on the drop-down menu.

Search by Course. Enter Department, for example, MTH, and the CRN for that class. For Math 60, CRN 44654, we have the result below. For many classes there will be a choice, text shown in green, **Choose One Book Option**, that indicates that the student only choose only **one** of these options. In this case, either a loose-leaf bundle that includes a physical copy of the book with the access code, OR an access code that includes a digital copy eBook version of the textbook. Only one of these options is needed for this class, and the selection is solely determined by whether you learn by looking at a computer screen, or learn better with physical copy of the book.

In some cases, there may be more than two options. Cengage Unlimited is the best value if you prefer using digital options and you are taking more than one class that uses Cengage Unlimited. You only need to purchase Cengage Unlimited access once, regardless how many classes you are taking that have Cengage Unlimited as a purchase option. In the selection below, for Spanish 101, CRN 40241, there are three options available to purchase. Again, the green, **Choose One Book Option**, indicates that only one of these three options should be purchased for this classes, depending on your learning style.

Another option sometimes available to students is Redshelf Digital Books. Most digital books are available for a set amount of days, and have a set number of pages that can be viewed, or printed, by students, but are more affordable than the physical copy of the book.

Here is CJ 120, CRN 44375.

	<p>Choice of book or ebook</p> <p>AMERICA'S COURTS+CRIM.JUSTICE SYSTEM</p> <p>Author: NEUBAUER Edition: 13TH 19 ISBN: 9781337557894</p> <p>Book Notes:</p> <p>Summary</p> <p>Digital Return Policy</p>	<p>Print</p> <p>\$235.50 New \$176.75 Used</p> <p>Digital</p> <p>\$50.99 RedShelf (180 Days) Digital Rights</p> <p>Compare prices...</p> <p>View Compare prices...</p>

In this example there is both a physical copy of the book available, and there is also a digital version of the book available. Access is limited to 180 days, which more than covers one term. Also, note the Digital Rights. For Redshelf the following applies. **RedShelf Digital Rights: Copy Percent: 20%, Offline Percent: 20%, Print Percent: 20%.**

Also note the Compare Prices link below. You are able to shop and compare outside of the COCC bookstore for pricing and availability of your course materials. These tabs will take you to the seller's website. Please note that Central Oregon Community College is not responsible for any orders and materials placed through these third-party vendors. Also, if you are using any form of COCC bookstore credit, those funds cannot be used outside of the COCC Bookstore Website.

You can check out as a guest on the bookstore website. However, if you are using any form of bookstore credit or third-party tender to pay for your books, you will first need to log into your account on the bookstore website, using your student email, and your 820 number as your password. That is the only way for the SFA tender type to appear as an option during check out. Your 820 number is your ID number for SFA transactions.
